

My visit to Gympanzees.

On _____, I am going to go to Gympanzees.

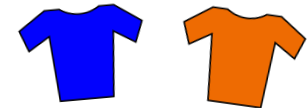

I will go in the _____ with _____.

At Gympanzees there will be other children with their families. I can play with other children or I can play with my _____.

At Gympanzees there are lots of things to do and play with. There are 9 different areas for me to play. I can go to all of these if I want but I don't have to play with anything I don't like.

There will be adults in blue or orange tops that can help me use the machines. This will be okay.

There will be a gym, this is what it looks like. There are lots of machines to try, they are very good for exercise.

There will be a music room, this is what it looks like. It has lots of instruments for me to try.

There will be an indoor playground, this is what it looks like. It has lots of toys and things to climb and swing on.

There will be a soft play room, this is what it looks like. It has lots of squishy things for me to climb on.

There will be a room with trampolines, this is what it looks like. The trampolines are great for bouncing on.

There will be two sensory rooms, this is what they look like. One is calming,

and one is stimulating.

I might have to wait to use some toys or equipment if other children are using them, this will be okay as I can play with other things whilst I wait.

If I get worried or frustrated I can use the dark den or go outside to help me calm down.

At the end of our visit I will get in the _____ to go home.

There will be a café, this is what it looks like.

Visiting Gympanzees will be fun. My _____ will have a good day. I will have a good day too!

I can go to the café after I have finished playing and have a drink and a snack. I can bring my own or buy something at _____ the café. This will be okay.
