### **PURPOSES AND AIMS**

Our Charities purposes are set out in the objects contained in the Charity's Constitution:

The objects of the CIO are, for the public benefit:

*To relieve the needs of, and promote social inclusion of, children and young people who are experiencing ill health or who have a disability and who are therefore socially excluded, their families, carers and friends by the provision of therapeutic, and inclusive play and recreational facilities and spaces.*

## **PURPOSES AND AIMS (continued)**

Our vision is to open the UK's first, fully inclusive leisure and exercise facility in Bristol which will cater for the play, exercise and social needs of the 66,000 children and young people with disabilities who live within an hour of Bristol, and to take their families out of isolation.

We have 3 aims:

- To improve health outcomes for children and young people with disabilities through exercise and sensory integration
- To provide a fun atmosphere and space for play with the whole family
- To reduce isolation for the whole family

We review our aims, objectives and activities yearly at the Trustee away day. We look at what we have achieved and the outcome of the work over the last year. We look at the outcomes of each activity and the benefit to our beneficiaries and the wider public.

We refer to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning its activities for the following year.

### **Main Activities undertaken in relation to our Purposes**

Gympanzees is a multi-award-winning charity, providing play, exercise and friendship for children and young people with disabilities, and reducing isolation for their families.

There are 66,000 children and young people with disabilities who live within an hour of Bristol. 77% struggle to access regular leisure facilities and their health and well-being suffer as a result. Whole families are affected, with 72% of parents reporting mental health problems as a result of isolation.

Gympanzees aims is to open the UK's first, fully inclusive play and exercise facility for children and young people with any ability or disability in Bristol. As this hasn't been done before, we run Pop Ups in the Easter and summer holidays to provide a much-needed service for families and to test and refine our business plan for the permanent centre. We run for 6 weeks per year, renting special schools, and setting up different activity rooms including a specialised gym, soft play, trampoline rooms, 2 sensory rooms, a music room, swing room and outdoor playground. Every piece of equipment or activity provides opportunities to get active and/or to provide a varied sensory experience so that visitors can receive therapeutic and health benefits while they are having fun. Disability experienced staff are on hand to guide families to make the most of the equipment and facilities. We also have therapy rooms and an exercise studio for disabled exercise classes such as inclusive yoga or dance. We run a popular café at the Pop Ups and have work experience opportunities for young adults with disabilities.

We also run a year-round equipment lending library with exercise and sensory equipment lent for 2 weeks for free into family's homes. This enables children to access the health benefits of exercise and a wider sensory experience in their home.

Our on-line resources and webinars provide ideas and advice from therapists on how to play and exercise at home, depending on disability or need, with a therapeutic twist.

## **ACHIEVEMENTS AND PERFORMANCE**

At the start of 2021 we were under the third national Covid lockdown so continued running our online services and lending library. We were not able to put on the Easter Pop Up due to Covid. However, as restrictions eased and the vaccination programme was well under way, we were able to put on the Gympanzees Summer Roadshow in July and August 2021. We launched our 'Project Home Appeal' in September – our capital appeal to build our permanent Gympanzees facility.

### **Our Impact in 2021**

- 34,588 views of online resource hub – play and exercise for disabled children for the home
- 3,382 therapy webinars watched – therapist led tutorials and information over a wide range of topics – providing ideas for therapy and health at home
- 751 items lent from the Lending Library – exercise, play and sensory equipment lent into people's homes
- 729 visitors to the roadshow – exercise and play sessions for disabled children and young people – providing 'stealthy health' – therapy wrapped up as fun
- 51% new visitors to roadshow – reaching communities who we have previously found more difficult to reach
- 547 closed Facebook group members – a space for peer support and information for our families
- 55 volunteers – delivery drivers and workers for our lending library and roadshow volunteers manning our reception and café
- Our core staff team grew to 8 members
- 1 Queens Award for Enterprise – Innovation – for our Pop Up concept

### **Roadshow**

The Roadshow was created because of the constraints of Covid and feedback from isolated families who needed somewhere to go that was suitable and safe for them after so long at home.

We went to 5 separate locations. 2 in Bristol and one each in Weston-Super-Mare, Newport and Bath. At each location we rented a special school and ran for 4 days. We offered a total of 60 sessions. Each roadshow had 3 play and exercise spaces (compared to 9 at the Pop Ups) using our more portable equipment, and a café. We kept numbers low and carried out strict social distancing and cleaning protocols to keep our visitors safe. We continued with the session model we use at Pop Ups, offering the 4 session types at reduced cost, indicative of the smaller offer.

We had very positive feedback and, as a Covid response, it proved successful. The cleaning breaks and Covid guidance that we followed were successful and we had no covid outbreaks.

### **% of capacity filled**

- Barton hill – 101%
- Weston – 93%
- Newport - 85%
- St Annes – 97%
- Bath - 96%

### **Other statistics**

- Longest time travelled was 2 hours 20mins
- 100% of people felt supported throughout their visits

- 91% of people felt they were able to talk to other parents
- 99.6% of children enjoyed coming to Gympanzees
- 99% of siblings said they were able to play with their sibling
- 94% of families said they loved it and would definitely come again.
- 51% percent of families hadn't used Gympanzees before and our demographics of visitors showed more from disadvantaged backgrounds.
- We also had 60 new members in the Lending Library from people coming to the roadshow.

### Quotes from families

- "He normally asks to go home after 5minutes when going somewhere – he did not ask today which today which is very rare."
- "Fantastic! Nowhere else supplied this sort of 'pop up'. There are minimal places where you can take a SEND child and their sibling without rising anxiety and failure of attempts made. Gympanzees removes the fear of failure and embraces acceptance. I cannot thank you enough."
- "We've missed the pop up so much. It felt so good to be back somewhere we love. Even bumped into a friend we haven't seen in what feels like forever. They also had an epic Tri-Climb set up!!!"
- "It's been amazing. I wanted to book every single day. Over the summer, we've left the house twice for us to go somewhere and feel comfortable. This must be how other parents feel."
- "We attended today with both our children who generally find it difficult to play together. It has been wonderful to see them find activities they have enjoyed doing together - lots of genuine fun and laughter. So brilliant to hear."

### Challenges

- It was harder to find staff and volunteers due to Covid. Most businesses were not allowing staff to volunteer so we ran on a skeleton staff.
- Although our feedback was fantastic as always, we didn't see the same health and well-being benefits, nor the same level of positive feedback.
- We had a few incidents of children getting overwhelmed or distressed which we don't see at the Pop Ups. These 3 points re-enforces the need for a larger offering for our permanent centre.

### Our Home - Lending Library

We began with 54 Items to loan in 2020 and have grown the Lending Library to over 200 items over this year. 822 items were loaned. We have stated working with organisations such as special schools to be able to loan equipment.

As the world opened up, families had access to equipment and school again and we saw a drop in usage of the Lending Library. However, those who use it continue to see it as an invaluable service so we will continue into 2022.

From our feedback, 100% of users said they would use the service again and would recommend to a friend. 37% of users did not know about Gympanzees before using the Lending Library.

When asked Have you benefited in any of the following ways, from having the equipment in your home we saw the following results;

- 100% of people said more play
- 67% of people said more active
- 42% of people said more exercise
- 38% said Family relations
- 89% said having fun
- 63% said calming
- 57% said movement skills

45% said sibling playtime

21% said sleep

Some examples of benefits include:

- A mother explaining, she has been able to enjoy some much-needed respite with the child engaging with equipment.
- Many examples of children with sensory or behavioural difficulties finding the equipment calming, allowing them to self-soothe, regulate their mood or preventing meltdowns
- Many examples of families going on to buy equipment they had tried, and which had been a success with their children
- Several examples of families not buying equipment they had thought they wanted to buy as their child had not enjoyed or found benefits – saving the family money.
- Many comments about reduced anxiety
- Comments about increased family playtime
- Many examples of children playing with their siblings or parents when normally this does not happen at home.

Some Quotes

- 'You feel there are charities out there who understand your family'
- 'Given my son opportunities to self-regulate which is particularly important at this time.'
- 'It has help to regulate and calm him which mean less melt downs'
- 'It has provided equipment that has allowed our daughter aged 5 with autism and challenging behaviour, to engage in physical and sensory play with her 2 year old sister'
- 'The lending Library has brought us closer to the Gympanzees inclusive and enriching experience we have missed so dearly during lockdown'

### **Closed Facebook Group**

We know that many families don't know other families in their situation, and they rely on Facebook groups for support, to ask questions or to feel less alone in their situation. We re-launched our closed Facebook group last year with a more tailored focus on equipment, play and exercise as well as general signposting and support. We took on voluntary moderators (other parents with disabled children) and have been focusing on making it a safe space for families to support each other, communicate and feel less isolated. We now have over 500 members (100+ up from last year) and have parents and carers posting or commenting in the group daily. It is also offering support for our Lending Library with parents and carers commenting on equipment they have borrowed and what it offered to their family.

### **FINANCIAL REVIEW**

2021 has been a year of consolidation of our core services, Pop-Ups and Leading Library and both continue to be highly valued and re-enforce the need for a year-round exercise facility for children and young people with any ability or disability in Bristol.

However, significant resource is being now focused on finding land and a suitable location for our permanent home alongside fund raising to secure the appropriate finance. This activity has been led by our CEO supported by KOR Consult, a highly respected fund raising and marketing team in the charity sector which has led to us launching Project Home Appeal in September. The relationship with KOR Consult will change over-time with the aim going forward, of employing our own fund-raising manager rather than relying on KOR to provide the expertise and resource and then directing most of their effort into the Project Home Appeal. Therefore, the responsibility and resource required to support fund raising for our day-to-day activity will transfer to Gympanzees although they will continue to offer advice and guidance as required.

#### Revenue:

Total revenue increased by £219K to £382K an increase of £163K. Donations from Trusts continue to be the largest revenue source at £309K of which Sunrise Charitable Trust £55K, Quartet Community Trust £31K and The Medock Charitable Trust £15K being the three largest individual amounts. Also of note is the fact that revenue during the year was almost equally split between Restricted and Un-Restricted Funds, £190K and £192K respectively.

#### Costs:

Costs increased by £163K from £186K to £349K, although this still enabled us to deliver an operating surplus for the year of £33K. Staff Costs were the principal driver increasing by £117K from £86K to £203K in-line with headcount increasing by 5.6 EFT from 2.4 to 8.0. Of note within the headcount increase is the fact that our CEO is now full-time staff rather than being employed via her physiotherapy practice.

#### Net Assets:

In-line with our operating surplus, net assets as at the year-end Increased from £71K to £103K.

#### Reserves policy:

As last year, the trustees have considered the charities need to hold reserves in the light of our continued growth. The principal area of risk remains the level of donations that are required to fund our core activities and the timing of those donations as we now have fixed costs of £24K per month for staff and associated overheads.

In the light of this the trustees are aiming to hold reserves of between 3 to 6 months of expenditure which equates to between £72K & £144K. We have begun that process and as at year end have set aside £30K into a separate reserves bank account. The aim in 2022 is to increase by a further £60K or £5K per month

## **STRUCTURE, GOVERNANCE, AND MANAGEMENT**

Gympanzees received charity status on the 6<sup>th</sup> May 2020. Our governing document is our Gympanzees 'Foundation' model Constitution.

Our rules for appointing new trustees are as follows:

- (1) Apart from the first charity trustees, every trustee must be appointed for a term of two years by a resolution passed at a properly convened meeting of the charity trustees and with consultation with the CEO.
- (2) In selecting individuals for appointment as charity trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. The Trustees are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

**STRUCTURE, GOVERNANCE, AND MANAGEMENT (continued)**

The above report has been prepared in accordance with the provisions applicable to companies subject to the small companies regime as set out in Part 15 of the Companies Act 2006 and in accordance with the Charities SORP (FRS 102).

The Trustee's annual report was approved by the board of trustees on  
on behalf of the board by:

and signed

Trustee

Kelvin Jones

## **Gympanzees**

### **INDEPENDENT EXAMINERS REPORT**

#### **Independent Examiner's Report to the trustees of Gympanzees**

I report to the charity trustees on my examination of the accounts of Gympanzees for the period ended 31 December 2021 which comprise the Statement of Financial Activities, the Summary Income and Expenditure Account, the Balance Sheet and the related notes.

#### **Responsibilities and basis of report**

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

I have completed my examination. I can confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that:

- accounting records were not kept in accordance with section 386 of the 2006 Act ; or
- the accounts do not accord with those records; or
- the accounts do not comply with the accounting requirements under section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.  
attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## **Gympanzees**

### **NOTES TO THE ACCOUNTS**

**For Year Ending 31 December 2021**

#### **1 Accounting policies**

##### **Basis of preparation**

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

Gympanzees meets the definition of a public benefit entity under FRS 102.

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

##### **Going Concern**

There are no material uncertainties about the charity's ability to continue.

##### **Judgements and Key Sources of Estimation Uncertainty**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

##### **Change in basis of accounting or to previous accounts**

There has been no change to the accounting policies (valuation rules and method of accounting) since last year and no changes have been made to accounts for previous years.

##### **Fund accounting**

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

##### **Incoming Resources**

All Incoming resources are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources;
- the monetary value can be measured with sufficient reliability.

There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.

Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).

In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).

Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.

## **Gympanzees**

### **NOTES TO THE ACCOUNTS**

#### **Incoming Resources (continued)**

Government grants are included in the SOFA for the relevant reporting period

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts. Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.

#### **Resources Expended**

Expenditure is recognised on an accruals basis as a liability is incurred.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis, as set out in the notes to the accounts.

#### **Taxation**

The charity is exempt from corporation tax on its charitable activities.

#### **Tangible Fixed Assets**

Fixed assets (excluding investments) are stated at cost less accumulated depreciation. The costs of minor additions or those costing below £1,000 are not capitalised.

Depreciation is provided at rates calculated to write off the cost of each asset over its expected useful life:-

- Office Equipment (including Computer Equipment) estimated useful life of 5 years
- Operational Equipment estimated useful life of 4 years

Impairment reviews are carried out as and when evidence comes to light that that the recoverable amount of a functional fixed asset is below its net book value due to damage, obsolescence or other relevant factors.

#### **Financial Instruments**

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

## **2 Company status**

The company is limited by guarantee and has no share capital. The liability of its members is limited to £1.

## Gympanzees
